

## **DR CRESKI GILONG**

Dr Creski graduated from the University of Melbourne in 2013 and is a Fellow of the Royal Australian College of General Practitioners. He enjoys all aspects of General Practice. He has over 3 years' experience as a general surgery registrar and is interested in the early detection and management of skin cancer.

He has completed further training with the Skin Cancer College of Australasia: Certificate of Dermoscopy, Certificate of Skin Cancer Medicine and Surgery and Advanced Skin Surgery Workshop. Outside of work, he enjoys walking around the local parks with his family.
