

Dr Steven is a passionate GP Registrar joining The Local Doctor Ivanhoe team.

After graduating from the University of Melbourne in 2022, he progressed through his medical career at The Royal Melbourne Hospital, where he gained broad and valuable clinical experience. He looks forward to bringing his fresh hospital-based knowledge and skills into general practice to provide evidence-based, patient-centred care.

Dr Steven's clinical interests include dermatology, chronic disease management, mental health, and paediatrics.

Outside of work, he enjoys weightlifting and running, and stays busy with his two energetic Pembroke Welsh corgis.
